Order No. R 6208-10/LR. 110-24-8

Dated, Bangalore, 22nd June 1926.

An area of 6 acres 38 guntas of Inam lands belonging to Sri Rameswaraswami temple was acquired in 1880 for the Bangalore City Railway Station and for the feeder channel of the Jakkarayanakere, and Government sanctioned, as Inam, the tank bed of the Kanthayyana katte, Survey No. 207, in the Kankanhalli Village, Kankanhalli Taluk, to the said temple, in lieu of the service inam lands referred to above. But as the grant of the above tank-bed depended on the Harlewadi Tank channel work which was stopped, the temple Committee was asked to select some other land in exchange. The Committee who first requested for the grant of 30 acres of land out of tank-bed (Survey No. 44) of Kakol Village, Bangalore Taluk, measuring nearly 32 acres, now pray for the grant of 12 acres of wet lands in Yedatore Taluk, in view of the fact that the original grant to the temple was a gift made by His Highness the late Mummudy Krishnaraja Wadiyar Bahadur.

3. The Revenue Commissioner, recommends sanction to the grant of the 12 acres of wet lands, prayed for, and states that, if

if their representation is favorably considered, the Committee will be asked to select the land in Yeddatore Village. The Revenue Commissioner adds that the lands of the School Village will be parcelled out and given to the village officers and various institutions whose lands were required for the construction of Hesserghatta tank and to compensate them, not by cash, in proportion to the extent of their respective forfeiture.

3. In the above circumstances, I would only invite attention to section the several [illegible] recommendations.
